16th October 2026

Reminder: next week is a 4 day week. School is closed on Friday the 23rd of October for a staff INSET Day

Dear Families,

We have had a great week at SPA with lots going on. We have had lots of visitors as part of the tours we offer to families looking for the child's first school from September 2027. It has been wonderful to show our school in action.

Bikeability- a message from Mr Honeybone:
This week, our Year 5 and Year 6 children have been taking part in Bikeability Level 1 and Level 2 training, developing their cycling confidence, road awareness and essential road safety skills.
Following their initial playground training, the children progressed to cycling on local roads around Swaffham, putting their skills into practice under the guidance of qualified Bikeability instructors.
A big well done to everyone who took part, and thank you to the instructors and staff who supported the sessions. We look forward to welcoming the instructors back on Friday 13 November, when selected children from Years 3 and 4 will take part in their Level 1 training.
We hope these opportunities will encourage children to develop their cycling skills and enjoy cycling safely and confidently!
