RSHE in Year 6

Lesson one: My feelings

Lesson aim:

Pupils can recognise how images in the media, including online, do not always reflect reality and can affect how people feel about themselves.

Learning outcomes:

- I can recognise that images in the media, including online do not always reflect reality
- I understand that the unrealistic media images of the body can have a negative impact on how people feel about themselves
- I have considered ways to feel positive about myself and celebrate my body

Lesson two: My body

Lesson aim:

Pupils can explain what sexual intercourse is and how this leads to reproduction, using the correct terms to describe the male and female sexual organs.

Learning outcomes:

- I can name the sexual organs of a man and a woman
- I know how a man and a woman have sexual intercourse
- I understand how sexual intercourse can lead to reproduction

Lesson three: My relationships

Lesson aim:

Pupils realise the nature and consequences of discrimination, including the use of prejudice-based language.

Learning outcomes:

- I know the correct terms to describe gender and sexuality
- I know that treating someone as 'wrong' or 'less than' because of their gender and/or sexuality can constitute homophobic, biphobic or transphobic bullying
- I have considered appropriate ways to communicate about gender and sexuality

RSHE in Year 6

Lesson four: My beliefs

Lesson aim:

Pupils know some cultural practices are against British law and universal human rights, including female genital mutilation (FGM).

Learning outcomes:

- I know that the cultural practice of female genital mutilation is against British law
- I know that female genital mutilation constitutes abuse and is a crime
- I know how to support a friend who I am worried might be at risk of female genital mutilation

Lesson five: My rights and responsibilities

Lesson aim:

Pupils have an awareness that infections can be shared during sexual intercourse, and that a condom can help to prevent this.

Learning outcomes:

- I know that infections can be shared during sexual intercourse
- I am aware that infections spread easily, and to lots of people
- I know a condom can help reduce the spread of infections

Lesson six: Asking for help

Lesson aim:

Pupils develop the confidence and skills to know when, who and how to ask for help independently, or with support.

Learning outcomes:

- I have considered a range of problems that may affect people of my age
- I have identified different sources of help, advice and support for a range of problems
- I feel confident to ask for help and to help other people to ask for help if needed
