20th March 2026

We break up next Friday, the 27th of March, for the Easter Holidays. Children return to school on Tuesday the 14th of April.

Dear Families,

It has been wonderful to see the sunshine this week! Let's hope we have more of this next week and into the Easter Holidays.

Today is Red Nose Day. The children all looked spectacular wearing **RED** and during our celebration worship this morning they could explain why we have Red Nose Day, and talked a lot about helping others, kindness and charity. Thank you for taking part in Red Nose Day. We have had a lot of fun today as well as thinking about helping others.

We have the PTFA Children's Bingo event tonight. Thank you to the PTFA for organising such a fantastic event. 

Sign of the Week: 'Fun'

Events next week:

Next week is the last week of term. It certainly has been a short one! Parents' Evenings for Reception, Year 1 and Year 6 are taking place on Tuesday and Wednesday.

We have lots of monitoring next week with two Trust Leaders coming in on Monday to look at Maths across the school. We also have Governors coming in on Tuesday and Thursday to look at our wider curriculum and talk to children about their learning.

There are a number of Cluster Sporting events taking place too. We have got Tag Rugby and Netball next week, so we are looking forward to taking part in those and we wish all that are taking part good luck.

Mrs Rice has been asked by our Trust to share the work she does as a Learning Centred Leader for SEND with a group of CEOs from other Academy Trusts. Good luck Mrs Rice!

Thank you for your continued support.
Have a great weekend.

Yours sincerely

Headteacher

'With knowledge anything is possible'

Our vision: To inspire children, their families and staff to **SHINE LEARN BELIEVE BELONG** so our children achieve their very best, leaving us as confident, happy resilient learners.
