13th March 2026

Dear Families,

I will start by saying a big well done to our Year 6 children who have completed their SATS mocks this week. We are very impressed with how the children have approached this and the discussions they have had with their teacher and other adults afterwards. This really helps us plan ahead for what we need to consider and have in place in terms of what matters most to the children.

The whole school have been fantastic with their support for these mocks with their patience to changes to break times and managing without additional adult support as adults that have been moved to support in Year 6.

Thank you to all the families of Hedgehog Class who were able to attend the Gallery after school event on Monday. Miss Lipop was delighted with the turn out. The children really enjoyed sharing their DT and art work.

We were pleased to receive our top soil order this week. There is a long story here but the summary is that we now have all of the soil in one go to fill the planters attached to our new nursery outside furniture and other planters that haven't yet arrived! So- thank you for your patience in moving around these bags of top soil carefully when you come onto site. Our Gardening Club have a mission to complete once all the items have arrived and have been built and put into position. The children have come up with some great ideas.

We are working closely with the Wensum Hub- an organisation that supports schools with Reading. We were delighted to show a member of their team around our school and observe teaching in Reception, Year 1 and Year 2. We are hopeful of receiving some funding to support the further development of our approach to early reading now that we have a nursery. We will keep you posted!

Sign of the Week:

Events next week:

We are looking forward to Red Nose Day next Friday- 20th March. All children are invited to come to school dressed in something red. This is also the same day as the PTFA Children's Bingo Event. Get your dabbers ready!

Thank you for your continued support.

Have a great weekend.

Yours sincerely

Headteacher

'With knowledge anything is possible'

Our vision: To inspire children, their families and staff to **SHINE LEARN BELIEVE BELONG** so our children achieve their very best, leaving us as confident, happy resilient learners.
