Dear Families,

Happy New Year!

We have enjoyed welcoming the children back to school this week after the Christmas break- in the snow, ice and rain!

We are very impressed with how the children have all settled back into their school routines and how sensible they have been in the weather conditions we have had. It has been tricky this week as the ice and rain have meant that we have had wet play everyday. The children have been brilliant- very patient and helpful!

We are in the process of updating our key events for the year and this will be circulated soon. The Spring Term is always a busy one! Please let the office know if any of your details have changed such as your child's emergency contacts or medical information.

Yours sincerely

Headteacher
