3rd of October 2025

Dear Families,

October is here already and we have had some very foggy mornings. There are some good reasonably priced reflective stickers and bands that you can get to add to your child's bag or items of clothing so that they can keep safe and be seen on their journey to school.

We have had a great week in school. On Monday, one of our Trust leaders came in to look at how our nursery is developing and to visit all classes across the school. We have had lots of prospective families visit us too for our Reception Tours. Miss Lambert came in for a Keeping in Touch day. She was very excited to meet our new Little Terns and she was very impressed with how well they have settled in. She also very enjoyed visiting her class from last year who are now in year 1. She joined us for an important planning meeting after the school day where we looked at the new DFE Writing Framework.

Miss Sleet, Mrs Davies and I visited Chapel Green School on Wednesday as part of our partnership work that we have with them. Chapel Green is a complex needs school. We are working with them to support our development of provision for children with complex special educational needs. This partnership is vital as there are so few specialist school places. We are proud of our inclusive approach at SPA and it is wonderful to have this link to support our staff to meet the needs of all our wonderful pupils.

Flu vaccination

The Norfolk Immunisation Team will be visiting our school on the 23rd of October. The link to give consent for this has been shared via DOJO today.

A reminder that St Peter St Paul Church will be offering free choral tuition to set up a children's choir for children in Years 4, 5 and 6. A flier was attached last week and shared on DOJO. A taster session will take place at our school after the school day on **Tuesday the 7th of October** in our hall for half an hour from 3.20- 3.50pm. This is an opportunity for children who are interested to see what this is like and to have a go. **Children must be accompanied by a parent/ carer.**

A Google form has been shared today via DOJO for families to sign up so we know how many to expect.

We seem to have a lot of lost property in our lost property box which is kept in our school office. We have noticed that there are a lot of new items in here- shame that they are 'lost' already. Please take a look if you think your child has lost items of clothing or their water bottle. Many thanks.

I hope you have a lovely weekend.

Thank you for your continued support.

Mrs N Kaye

Headteacher

'With knowledge anything is possible'

Our vision: To inspire children, their families and staff to **SHINE LEARN BELIEVE BELONG** so our children achieve their very best, leaving us as confident, happy resilient learners.
