1st May 2026

Monday the 4th of May is a Bank Holiday. The children return to school on Tuesday the 5th of May.

Dear Families,

A shorter letter this week as we are preparing for our SIAMS Inspection which takes place on Tuesday the 5th of May. A letter from the Inspector was circulated earlier this week. We are looking forward to welcoming Helen Birch to our school. As shared in her letter, this is a Church of England inspection. It will involve observations of Collective Worship, a Learning Walk, looking in books and talking to several groups of children, staff, parents and governors as well as representatives from the Church.

Our School Council and Eco Committee have had another very busy week been very busy this week of planning and activities focused on our Nature Grant funded project to improve our Learning Garden. They were able to see the first steps of success this afternoon as children from across our school started planting.

Sign of the Week:

We recapped our vision signs today: Shine, Learn, Believe and Belong.

Thank you for your continued support.
Have a great bank holiday weekend!

Yours sincerely

Headteacher
