17th April 2026

Dear Families,

It has been lovely to welcome the children back to school this week after the Easter Break. The sun is shining as we start the Summer Term 2026 ☀

Please find attached an update to our Key Events for the year. This is our busiest term with a mix of statutory and end of year assessments, transition, various trips and of course- Sports Day and our end of year family picnic celebration!

Over the Easter Break we had lots of deliveries of items linked to our nursery and also an exciting project that the School Council and Eco Committee will be leading as we develop our Learning Garden. Mr Webb has been very busy putting all these items together! Thank you Mr Webb! 🛠️

We are delighted to finally be able to open up our new climbing frame and seating area to the children in Ducklings, Little Terns and Butterflies.
