20th November 2026

Dear Families,

Antibullying Week
Antibullying Week is an annual UK event to raise awareness of bullying and to highlight ways of preventing it and responding to it. Each year there is a new theme. This year the theme is 'break the silence.' It aims to encourage children, young people and adults across the UK to start conversations about bullying, speak up, listen and take action together. As part of raising awareness, children came into school on Monday with a wonderful array of odd socks. Mrs Rice led our whole school assembly where we talked about what bullying is and what we can do together as a school community to take action. The children shared their reflections on what 'break the silence' means to them and their 'class pledges' today in Celebration Worship. This was a 'wow' moment- very powerful. We are pulling this work together to make a display and share on our website.

PTFA Meet and Greet
Thank you to parents and carers who were able to come along to the PTFA Meet and Greet sessions on Monday. The PTFA are hopeful that some more parents/ carers will join their team. Whether you can help out regularly, lend a hand at the odd event, share a few ideas or get involved behind the scenes, every little bit of help is hugely appreciated. If you would like to get involved then please let the office know so the PTFA can get in touch. The next Annual General Meeting is the 13th of January.

Nativity:
Communication has been shared via Dojo to families of children taking part. We have 3 performances- very exciting! Our performances take place in our hall and we are limited on capacity with our fire regulations. Families of children in the performance can request up to 2 tickets across the 3 performances. This ensures that all families have an opportunity to see their child perform. Thank you for your understanding.

Christmas Tree Festival – St Peter and St Paul Church, Swaffham
The children have been making Christmas decorations to hang on our Tree at the Christmas Tree Festival. You are invited to come and see them when it opens on Saturday 28th November until Sunday 6th December 2026.

Parents' Evening for Years 3,4,5 and Red Foxes:
These are taking place next week. The Year 2 date has been moved to the Spring Term- this will be confirmed with year 2 families shortly.

I hope you have a lovely weekend.
Thank you for your continued support.

Mrs N Kaye
